Lake City, Michigan 49651

Phone (616) 839-4361
FAX (616) 839-5381

PARENTS:

"The Missaukee County Road Commission requests your cooperation through the winter months while snowplowing is taking place. We ask that you be aware of the fact that the plows are on the roads many mornings at the same times that the buses are picking up students. We urge you to make sure that your children wait a safe distance from the plowed portion of the roadway until the bus actually arrives at their stop. It is important that we work together to make certain of their safety."

If you have questions regarding the above or any other snow removal problems, feel free to call: Kelly Bekken, Manager
Missaukee County Road Commission
