## **Mission Statement**

The McBain Rural Agricultural School staff will assist our students in developing skills necessary to become responsible members of a changing society, challenging them through a quality curriculum, delivered by a caring educational community.

## **Belief's Statement**

1. Teaching is for learning.
2. All students are unique and have potential to learn.
3. High expectations will be set for each student.
4. Learning is life long.
5. Schools, parents, and community working together are accountable for providing students the opportunity to develop academically, physically, and socially.
6. Student learning is our highest priority.
