

McBain Rural Agricultural School

107 East Maple Street

McBain, MI 49657

March 13, 2020

McBain Rambler Family,

I have updated information for you in regards to the Coronavirus Pandemic. As I communicated earlier, the McBain Rural Agricultural School District is working closely with the Health Department, State Officials and other resources to assist us as we navigate these uncharted waters. Last evening, Governor Whitmer announced the state closure of all K-12 school districts from March 16 until April 5. I have attached the communication from Governor Whitmer for reference.

Please know that we are doing everything we can to provide a safe and healthy educational environment for your child. We ask that you consider the recommendations as provided to help mitigate the spread of the Coronavirus. The district will be closed to all activities during the State mandated closure. If you have any questions, please do not hesitate to contact me.

Yours in Education,
