

McBain High School - Remote Learning Schedule

McBain High School Students, Grades 9-12

Block scheduling will provide the opportunity for teachers to deliver direct instruction, organize small group sessions, or assign independent activities/projects. Students will be expected to attend all remote learning sessions via Zoom links in Schoology and complete all work as assigned. Attendance will be taken each block period.

Monday 3/22		Tuesday 3/23		Wednesday 3/24		Thursday 3/25		Friday 3/26

Student Expectations:

- *Students will use their school issued device and connectivity to the Internet to complete all expected assignments and lessons through Schoology & Zoom.
- *Students must login for attendance purposes to each of their hours as they are presented in the schedule.
- *Students will need to engage in Zoom (face-to-face instructional time) during each hour block schedule.
- *Students will sign into Schoology (our learning management system) to access lessons and assignments.
- *Students will use their school email to contact their teachers directly if he/she has questions.
- *Students will be working toward earning letter grades for courses that will be used to determine HS course credit towards graduation.
- *CTC students will be expected to complete work for their program remotely via Google Classroom from their CTC instructor.**

Teacher Expectations:

- *Teachers will present direct instruction using Zoom links embedded in Schoology.
- *Teachers will assign coursework and assignments using Schoology.
- *Teachers will use Remind, email, or telephone to communication with students and parents.
- *Teachers will be accessible to students, parents, and administration during our schedule above.

Parent/Guardian Expectations:

- *Parent/guardians are asked to provide a structured and supportive environment for students to learn from home.
- *Parent/guardians are asked to check daily with their student regarding academic progress and attendance to Zoom meetings.
- *Parent/guardians can check PowerSchool for graded student work. Please contact our tech dech to create a login or if you are having problems at 231.825.3817.
- *Parent/guardian questions can be directed to teachers, administration, or technology support via school email or phone on our school website: www.mcbain.org
